c/o CAO Jason Trottier

Dear Jason,

I am writing on behalf of the Country Ribfest de Campagne to be held on Sunday, June 30th at the Corbeil Park Hall and Bill Vrebosch Park. This event is positioned to form part of the community's Canada Day weekend celebration. That said it is organized under the leadership of and responsibility of a community group that includes the undersigned and a number of other residents from East Ferris.

The event budget includes \$8,000 of fixed costs to be funded via sponsors. To kick-off the sponsorship campaign, the East Ferris Knights of Columbus have confirmed \$1,000 in addition to waiving fees for a large poster on the billboard that at the corner of Hwy 94 and Corbeil Road (in front of Memorial Park). The Bonfield Lions Club has given a reduced rate for tent rentals. The Corbeil Four Seasons Club is overseeing refreshments. Gymnatrix are overseeing children's programming. We are approaching the North Bay Mattawa Conservation Authority for guided walks of the Corbeil trails. Further private sector sponsorship is underway.

We are hoping that the Municipality of East Ferris will provide support of the event in the following manner:

- A sponsorship of \$3,000.00 and waiving of municipal fees e.g. facilities, license(s)
- Use of the tennis court for kids activities. Support of the Recreation & Facilities team with chairs / tables from the EFCC, garbage cans and set-up of the event.

I am available to provide added details and information if required. Regards,

Michel Voyer, Chair Country Ribfest de Campagne
