MISS TEEN EARTH CANADA SPONSORSHIP OPPORTUNITY

Dear Potential Partner: East Ferris Council

It is my pleasure to introduce myself to you. My name is Sadie (Mercedes) Proulx and I am 17 years old. I have resided in Corbeil for the last 6 years. I am the reigning Miss Teen Earth Canada. I am currently vying for the title of Miss Teen Earth in one of the world's major pageants that will take place very soon in Ecuador. I have been working very hard to make my country proud at internationals. I am able to use my platform to spread awareness and personal knowledge of the urgent climate crisis at a global level. However, with such a big opportunity comes a lot of monetary expenses. How Can Your Organization Provide Assistance?

• Financial Donation which can help with the expenses of training, international fees and

the entry fee.

• Services which can help lower the overall cost of my endeavors. These services can

include but are not limited to: hair, makeup, nails, etc.

• Products which can be used both on and off the international stage. These products can

include but are not limited to: clothing, makeup, jewellery, etc.

About Teen Earth:

The Teen Earth franchise is not just about pageants. It is about changing the world by living sustainably and spreading awareness about the climate crisis through events, media and the pageants themselves. In doing this, the organization promotes a message that is beyond beauty. I firmly believe in taking action rather than just speaking about taking action. This is why I am in need of your support. I am incredibly excited to ask you to not only be a part of my reign as Miss Teen Earth Canada, but my journey representing Canada in Ecuador to compete for Miss Teen Earth as well.

Who Is Miss Teen Earth Canada?

I'd love to tell you about myself as an ambassador. I am a full time student, I work in retail and I have been competing in pageants for about 3 years. I've competed in Miss Teenage Ontario, Miss Teenage Canada, Miss Teen Personality Ontario, Miss Teen Personality Canada and of course Miss Teen Earth Canada. In my spare time I volunteer and raise money for charities like Water First, PatCo Pets, Make A Wish Canada, The Food Bank and the Central Alberta Child Advocacy Centre. I have also volunteered with the Navy League Cadet Corps for several years. I was born and raised in Canada and have grown to love and appreciate how supportive my community is.

What, How & Why

Being a representative of Canada comes with a lot of major opportunities. These include workshops, travelling, training, photoshoots, climate events, media promotion, hosting pageants, etc. This means I am able to showcase my home town and promote the local businesses that have helped me along the way. I am so proud to be a Canadian citizen and I am grateful for any assistance from my community. If you'd let me, I'd love to have the honour to be an ambassador of your business. Any and all support you could provide during my reign as Miss Teen Earth Canada (June

2022-June 2023) would be greatly appreciated. Along with this, it would be a great opportunity to showcase your business through media exposure. All information of sponsor status and benefits is attached to this email. Feel free to contact me at any time with details of any contribution you may be able to assist me with at 705-845-9349 / 7059785955 or through my email missteenearthcanada@gmail.com <mailto:missteenearthcanada@gmail.com> . I look forward to hearing from you to start an amazing partnership!

With love,

Sadie Proulx
