Hi Shirley,

Thank you for your comments. I wanted to acknowledge receipt.

Would you like for your message to be forwarded to our clerk for inclusion on the next Council agenda when the by-laws for the Trout Lake Policy's will be going forward?

Thanks,
Greg

Subject: Delay New Official Plan

To Greg Kirton, (Mayor Rick Champagne, and Council Members)

Would it not be prudent for the Municipality of East Ferris to Delay the implementation of the New Official Plan and Amendments ...until the New Official Plan has been accepted and passed by the City of North Bay? All residents residing on Trout Lake should be governed by the same set of rules. The outcome of the litigation on the New Official Plan in the City of North Bay may bring about significant changes. All Trout Lake dwelling residents ...whether in the City of North Bay or the Municipality of East Ferris should be governed by the same Official Plan to avoid more controversy. Delaying the implementation of the New Official Plan causes the Municipality of East Ferris NO inconvenience...as the Old Official Plan is serving us well and will continue to do so until the New Official Plan is implemented. Please give this Delay serious consideration...

Concerned resident,
Shirley Ferron
