Application MacDonald Road

Dear Mayor Carr et al,

Please find attached a letter expressing serious concern that I would like to be brought to the attention of the whole of Callander Council, as well as relevant staff and stakeholders about the proposed quarry site on Crown land at the junction of MacDonald and Hart Roads in Callander. I am writing specifically to Callander Council but I believe each of your organizations have an interest in our shared community and as a long term resident in the East Ferris area as well as a lifelong user of the recreational areas that span numerous municipalities I feel it is vital that conversations such as this take place in the broadest possible context. Thanks so much for taking the time to read my letter and I appreciate all the work you do on behalf of our communities.

Many thanks,

Sal

Sal Renshaw, Ph.D.
