Application to Host the Federation of Northern Ontario Municipalities (FONOM) Annual Conference

Background:

The FONOM conference has grown in recent years attracting more than 250 delegates and exhibitors and brings over \$100,000 of economic activity to the host municipality. The conference forms a major portion of the annual operating revenue to FONOM and it is therefore important that potential revenue be maximized through the selection of the host community, transparent tendering and purchasing of goods and services, as well as careful financial control and management. The successful host will sign a Memorandum of Understanding document, a sample of which is attached to this Application.

Section 1 – Timing

The conference will occur in May each year during the second week and begins on Wednesday at 1:00 pm and last two and a half days.

Day 1 of the conference agenda consists of an official opening; a welcome from the Mayor of the host municipality; an opportunity for the host municipality to show case its achievements; an opening reception and an evening for the delegates to visit local restaurants for their evening meal.

Day 2 starts with a full breakfast followed by several plenary and concurrent sessions and ends with a banquet during which the FONOM Executive Award will be presented.

Day 3 of the conference consists of the FONOM Annual General Meeting; a number of updates from representatives of the three levels of government and a Minister's Forum with adjournment of the conference ending by 1:00 p.m.

In what year does your community wish to host the FONOM Conference? (Check one.)

May 8, 9 & 10, 2023 _____ May 13, 14 & 15, 2024 _____ May 12, 13 & 14, 2025 _____ Is this a significant year/date for your community?

If yes, describe the significance of the year and other events that will be occurring in conjunction with this year (e.g. If this is the anniversary of incorporation will your community be holding other events such as festivals, reunions, etc. during the same year?)

Section 2 – Conference Facilities

The following conference facility guidelines are the <u>minimum</u> required:

- One large conference room able to seat 250 delegates for plenary sessions. The room would ideally be furnished with round tables and have a suitable sound system to allow for speakers at the podium and in the audience using several mobile microphones.
- One large banquet room to seat 300 guests with a head table (may be the same room and the plenary session room above provided capacity is available).
- Two adjacent rooms for break-out sessions that should seat from 75 to 125 delegates.
- Four to five meeting rooms for Ministerial delegations that can accommodate up to 12 people seated boardroom style.
- Large area for the trade show should in close proximity to the large conference room so that delegates will have easy access to the exhibits.
- Access to telecommunications hook-ups including high-speed Internet, good audio equipment available to all meeting rooms.
- Sufficient parking to accommodate delegates, sponsors and exhibitors.
- All facilities above should be accessible to persons with physical disabilities.

In what primary facility do you propose to host the majority of the conference?

Guideline for Conference Host Municipality(ies)

Overall the Host Municipality(ies) is responsible for organizing and managing all local conference logistics. The following sets these out.

Communication and Conference Coordination:

- Representatives from the Host Municipality (HM) participate in the Conference Coordinating Committee (CCC) along with conference partner FONOM. This Committee oversees the agenda development, financial terms, communication material and local logistics for each conference etc. This Committee usually meets at least monthly from December/January until the conference.
- Expenses for HM representatives on the CCC are the responsibility of the HM and are not part of the conference budget.

<u>Venue</u>:

- HM works directly with the management of the local venue to reserve appropriate space for all aspects of the conference, ensure access to all rooms, availability of required audio equipment in each conference room and any other equipment needed, and make any other arrangements necessary for full use of the facility by conference delegates.
- Enhanced audio visual services may be necessary in order to meet the everexpanding technical needs of this conference. In this case, the HM will undertake a tender or call for proposals for these services.
- Municipally-owned facilities used for portions of the conference are provided by the HM rent free.

Meals:

- HM manages all meals and refreshment breaks including ordering all food from the food provider(s). They either work with the onsite caterer, or if there aren't any, hires local caterers or local volunteer organizations to prepare and serve the meals. All aspects of food service before and during the conference are the responsibility of the HM including selecting of menus within the budget allocated.
- HM will manage the entry to mealtime in some manner, for example, meal tickets with conference package or by just using conference name tags. If HM chooses to use conference name tags, they should use different coloured name tags for one, two day or full registration.

Conference Promotion:

- All communication on the conference needs to first be reviewed by the CCC. The early notice and pre-registration packages are normally sent out to municipalities by FONOM.
- In consultation with the CCC, the HM will set up a web site with the conference information. This website will be linked to FONOM.

Conference Budget and Finances:

- The HM will be provided a working budget by FONOM. The HM will tender for provision of all conference services using their own municipal tendering procedures. The HM has discretionary spending abilities within this budget however; the conference partner FONOM should be apprised about the status of the budget at least once a month between January and April.
- The HM will pay to FONOM the total net profit of the conference by July 15 in the year of the conference.

Registration:

- Registration fees are set by the CCC. Normally all delegates are charged registration and speakers are not. This is sometimes a judgement call if speakers decide to stay longer than a few hours each side of their presentation, so it can be discussed with the CCC.
- The Conference registration form is fairly standard from year to year. The HM may tailor it each year to indicate the HM, location, local contact names etc. This is then provided to the CCC for their review.
- The early conference notices and registration forms are normally sent to municipalities by FONOM. The HM shall prepare an accommodation lists and

electronic map of area showing conference site and location of accommodation (and anything else the HM might like to include). Timing of the notices is worked out by the CCC.

- The HM is responsible for receiving all the registrations, recording the registrants and collecting and managing all registration fees. All conference funds should be kept in a separate account with inputs and outputs recorded.
- The HM will order and prepare conference name tags for all pre-registered delegates, speakers (usually distinctive from the delegates and exhibitors) and guests.
- In addition to the pre-conference registration work, the HM will set up a registration desk at the conference, to allow pre-registrants delegates, speakers and guests to collect their conference packages and name tags but also to allow for last minute registrations. At this desk, there should be additional name tags. This desk will serve as a "conference central desk" where any conference or facility related information is available to delegates, messages are given, evaluation forms are deposited etc. It should be visible and easily accessible and staffed throughout all hours that the conference and/or trade show is open to delegates.
- The cancellation policy is that registration fees, less a \$50 administration charge, are refundable only if written notification is received by 7 days before the conference. No refunds will be made after that date however substitutions may be made without financial penalty.

Conference Agenda:

- While the agenda is worked out and finalized by the CCC, the printing of the final agenda is arranged by either FONOM or the HM. The final agenda must be printed in both French and English. Translation is also done by either the HM or FONOM.
- The final agenda includes a letter from each of the FONOM President (with a list of the FONOM Directors) and the Head of Council for the HM.
- The HM, in consultation with FONOM, will purchase and wrap the required number of speaker gifts and arrange for them to be on stage and presented to each speaker at the appropriate time in the conference.

Conference Packages:

- The HM, in consultation with the CCC, will order the appropriate conference packages (e.g. bags, portfolios etc) and arrange for appropriate logos indicating the name of the conference, the HM and FONOM.
- The HM will acquire the necessary contents of the packages and also fill them prior to the conference. The following should be in the packages:
 - o any local promotional material that the HM can acquire
 - a list of final conference pre-registrants
 - FONOM's resolution package and annual report
 - floor plan of the conference facility and, if desired, a map showing local attractions
 - \circ $\;$ trade show program and map of booth locations
 - \circ $\;$ any other notices that sponsors may wish to include

Sponsorships:

- The HM, in conjunction with FONOM, is responsible for obtaining all conference sponsorships. Sponsorships can be obtained for meals, refreshment breaks or just for promotion. Due to the long relationship the conference has had with many of its sponsors, there is a "right of refusal" for sponsors from the previous year to sponsor the same event/item.
- The HM will sponsor the Pre banquet reception, the year prior to hosting the conference, value of \$2000.00.
- There is a standard conference sponsorship package for potential sponsors to choose from. These fees will be established by the CCC.

Exhibits:

- The HM is responsible for the pre-registration of all exhibit booths. There are standard fees as well for these which are also reviewed annually by the CCC. While many companies, government agencies will contact the HM directly to acquire a booth, the HM may need to also solicit to totally fill the booth spaces. The HM can use the list from the prior year's HM for this purpose using the list that will be provided by FONOM.
- The HM manages this space by allotting the necessary space, assigning the space and communicating with the exhibitors regarding the requirements etc.

Signage:

- Two banners need to be displayed prominently at the entrance to the conference site or on the conference building. The HM is responsible for putting these up and taking them down.
- The HM should also put up any directional signs that may be necessary for the delegates to find the conference facilities including parking, conference rooms, reception areas, booth areas etc. These should be in a bilingual format. The objective is to make it as easy as possible for the delegates to find their way around.
- The HM will also put up signs indicating the various sponsors of the conference.

Post Conference Wrap Up:

- The CCC may meet following the conference to review the lessons learned from that year's conference, review the results of the evaluation forms and make recommendations on how to improve subsequent conferences.
- The HM prepares a Final Report following the conference which outlines such items as:
 - total attendance and profile of delegates (e.g. breakdown by municipality, other etc)
 - final financial statement with revenues and expenditures broken down
 - any suggestions for next year's conference etc.
