**Subject:** Stepping down municipal building advisory committee

I wish to advise council that has of September 25/21 I will stepping down from the municipal advisory committee Now that I feel the project is under way !!

Even though it was started before I was re instated on council I feel we has council Have done a great job having this project underway I believe my part has a committee member is finished So I will step down

Thank you for allowing to me to be part of this very important project for are staff and municipality
