LAS

The Virtual Risk Management Symposium this October 5 and 6 can answer your questions regarding environmental impacts on your communities. Learn what you can do to help protect your municipality against extreme weather, while beautifying your communities and saving money.

Roads and sidewalks are some of the most significant assets a municipality is responsible for. Our Road and Sidewalk Assessment Service helps you make the best decisions to keep your community moving safely and cost-effectively. There's still time to get your assessment done this fall - contact Tanner for more info.

The Canoe Procurement Group continues to grow! Introducing Sharp Electronics, our newest vendor in the Technology category providing multifunction printers, display systems, and software solutions. Save time and money on the technology your office uses every day. Contact Tanner for more information.

Older lighting technology accounts for appx. 20 - 30% of energy cost in facilities. Upgrading to LED significantly reduces energy and maintenance costs. With over 65 LED lighting retrofit projects, municipalities are collectively saving over \$1 million annually through LAS' Facility Lighting Service. Contact Christian Tham for a free budget proposal.

LAS Energy Training workshops result in significant energy savings for municipalities. With more than 300 attendees and over 54 workshops, attendees have discovered excellent opportunities in their facilities worth hundreds of thousands of dollars. Contact Christian Tham to book a custom workshop for this fall.
