Subject: Rob Effinger - Resignation from the Parks and Rec Committee

Hi,

I feel I have to let you know that I have to resign from this committee.

I had no real idea of what the committee was involved with at the time I decided to join it. The name of the committee had me believe it was involved with issues related to the construction, implementation, expansion of Parks and Recreational venues within the township. I am totally in favor of expansion to our Parks and expansion of Recreational programs, in which we do not seem to be involved.

Instead, I find myself discussing documents regarding Volunteer Hall of Fame, Volunteer Recognition and the Sports Wall of Fame.

So, please accept my resignation effective at this time.

Regards,
