2. **Minutes of previous meeting, March 11th, 2020** (circulated on Council agenda of April 14th, 2020)
3. **Declarations of Conflict of Interest** - None for this session
4. **Correspondence and Information Items:**
 - a) **Data re Speed Sign** - Director of Public Works is reviewing the software to download the data. Data will be provided at the next Public Works Meeting. The speed sign will be moved this week to Centennial Crescent.
 - b) **Motor Vehicle Inspection Station (MVIS) licensee(s)** - Director advised that the Municipality is all good with the MVIS licensee(s).
 - c) **Mr. Bill Edwards - One Mile Road to MacPherson Drive- potholes - Can something be done about this?** - Committee discussed the possibility of grading the first section of One Mile Road. Deputy Mayor Voyer will bring forward to Council. In years past it was that if a municipality does work on unmaintained roads, then they automatically assume ownership of the roads. This legislation has been changed, but there are precautions to take as advised by the Director.
 - d) **Turgeon Lane** - This matter was completed, no issues at this time.
 - e) **Mr. Ted McCullaugh - Littering on road - sign.** Committee to advise Mr. McCullaugh regarding the "Challenge" for clean-up date has been extended to April 30th. Last year Mr. McCullaugh requested a no littering sign and the Municipality installed one. Mr. McCullaugh is now requesting a no littering by-law be implemented. Committee discussed and felt that such a by-law would be very hard to enforce.
5. **Next meeting date:** May 19th, 2020 at 10:00 a.m. Location to be determined.
6. **Adjournment.** - 3:30 p.m.
