Dear Council Members,

I am writing on behalf of the East Ferris Forest of Reading committee to request a donation for our monthly challenges and for participation prizes for the 2019/2020 Forest of Reading Program at the East Ferris Public Library.

The Forest of Reading program will run from December 2019 until April 2020. It is a great program promoting French and English Canadian literature for all levels of reading and age groups. Even we have challenges for participants where they have a chance to win a prize. During the grand celebration in April, participants can also win exciting, age appropriate prizes that inspire creativity and wonder. As in years past, we are hoping to count on you for a donation of either a cash donation to purchase prizes or a donation that we can include as a prize.

As a thank you for your donation, our committee will recognize you as follows during the 2019/2020 Forest of Reading Program at the East Ferris Public Library (from present until April 2020).
