Subject: Federal Gas Tax surplus administration funds

Dear Mayor Rochefort,

As I announced at the AMO conference in August, AMO will distribute over \$12 million in surplus federal Gas Tax administration fees to municipalities in October.

Your municipality will receive \$5,654.45. A brief Q&A regarding the release of these funds can be found [here](#).

This is in addition to the \$303,603.30 you received in July as part of the one-time doubling of the Fund, and the \$294,989.54 for your regular 2019 amount.

As a sector we are proud of how we have been able to use federal Gas Tax funding for priority projects. However, municipalities should delay any announcements about projects that received federal funding until after the election on October 21.

Sincerely,
Jamie McGarvey
AMO President
