**Tuesday, May 7<sup>th</sup>, 2019**

Dear Ms. Hawkins,

I am writing to request attendance at the next East Ferris Township Council Meeting, on **Tuesday, May 14<sup>th</sup>, 2019, at 6:00 pm**. I wish to discuss the proposed subdivision on Centennial Crescent, MacPherson Drive, and One Mile Road.

I wish to address Council regarding the following:

- 1) Nugget Article April 30<sup>th</sup> – “municipal staff and council have agreed to work with the residents to address those fears.” Rochefort: “we are listening to the residents. We are being receptive to them.”
  - i) Request for itemized list of conditions that Dégagné must follow in order to meet official approval (to be available to public)
- 2) Potential Conflicts of Interest (Request for Investigation by Provincial Integrity Officer)
- 3) Risk Assessments for Road Safety (Freedom of Information Request regarding traffic complaints, collisions and enforcement on Centennial Crescent), Fire Safety and Insurance
- 4) Impact of Municipal Growth on East Ferris Township Council, Fire Department, and Ontario Provincial Police services (ex: potholes on Centennial and Carrière, among other roads, not being filled; taking responsibility for increased road issues as a result of adding 25 more homes; who will be responsible for adding sidewalks/shoulders to accommodate new subdivision?)
- 5) Site Plan Controls – How will these be monitored in order to ensure that recommendations are met prior to, during, and post construction phases? Who will be responsible for enforcement should these conditions not be met?
- 6) Updated Petition Signed by Residents Submitted to Erika Lougheed at closing of Council Meeting April 23<sup>rd</sup>
- 7) Appeal Submission Friday, May 10<sup>th</sup>, 2019

Your time and consideration in this matter is greatly appreciated.

Sincerely,

Maggie Preston-Coles  
East Ferris Township Resident
