Registration for the 2019 Northeastern Fire Education Conference (NEFEC) and Trade Show, March 29-31 at Deerhurst Resort and Conference Centre in Huntsville, is now OPEN!

The Northeastern Fire Education Conference and Trade Show, also known as NEFEC, offers one of the most affordable educational opportunities for senior fire officers, company officers, firefighters and elected municipal officials in northeastern Ontario. Hosted by the Nipissing/East Parry Sound Fire Services Mutual Aid Association, NEFEC 2019 takes place in beautiful Huntsville, Ontario at Deerhurst Resort and Conference Centre from March 29 to 31.

Over the course of three days, attendees will hear from speakers from across North America presenting on relevant topics related to today's fire service. The conference agenda includes professional and leadership development, new science and technologies in the fire service, and up-to-date topics concerning firefighter health and safety, public education, fire prevention and team building. On Sunday, attendees get to choose a specific 4-hour program to participate in, allowing you to take advantage of individualized professional development opportunities. The agenda continues to focus on pertinent information for all levels of fire service personnel and municipal officials in both

composite and volunteer fire departments.

In addition to the excellent educational content, NEFEC also boasts a well-established trade show, showcasing products and services from major fire service suppliers. Attendees are given multiple opportunities to visit with exhibitors so they can keep up-to-date on the latest tools, technology and equipment available in today's fire service. It is a perfect opportunity to negotiate the best price on equipment and services for your department by taking advantage of show specials offered by exhibitors. The trade show and fire service exhibitors continue to be a significant contributor to the success of the NEFEC. Without the continued support of our exhibitors, we wouldn't be able to offer the fire service in northeastern Ontario such a valuable event.

NEFEC 2019 also provides you the perfect venue to expand your professional network. In the evenings, there are multiple social events, including a networking reception at the trade show on Friday evening, and the annual banquet on Saturday evening, where you can meet new people and interact with your fire service colleagues.

NEFEC 2019 would not be possible without the dedication and hard work of our committee. Members of the 2019 planning committee are: Chief Frank Loeffen, East Ferris; Chief Richard Maranda, West Nipissing; Chief Mark Whynott, Markstay-Warren; Chief Tim Uttley, Temiskaming Shores; Chief Dean Butticci, Magnetawan; Chief Mike Pichor, Espanola; Retired Chief Grant Love.
