Provincial Matters

The Ontario Ministry of Agriculture, Food and Rural Affairs released a series of new videos on ways to prevent barn fires. The videos are part of an ongoing effort with farmers and industry to develop different ways to reduce the potential loss of human and animal lives, injury and property damage from barn fires. Visit Ontario.ca/preventfarmfires to learn more about preventing barn fires and to view other resources.

Eye on Events

AMO Webinars provide direct access to real-time learning and information sharing. Running from February to November 2019, AMO is offering six Social Media Webinars to help make the best of (and avoid the worst of) what social media has to offer.

ONE Investment is launching new investment offerings in 2019 under the Prudent Investor regime for municipalities. We would like to meet with a group of finance staff at a location near you to discuss ONE, your needs and answer questions. If your municipality is interested in participating, please contact [Janet Wong](#). Locations will be determined based on responses.
