**Subject:** Minor Variance Application - A-2024-04

Hi Greg,

Thank you for the opportunity to comment on this minor variance application to permit a variance to Zoning By-law 2021-60, to permit a reduction in the required frontage to 32.67m from the required 60.00m. Considering the information provided, the Ministry of Transportation of Ontario (MTO) would not object to the proposed minor variance, and the MTO has previously issued a single use residential entrance permit to Highway 94 for the subject property.

Regards,  
Jamie
