RECEIVED

Dear Mayor Rochefort:

We are writing today to thank you for East Ferris' annual payment of \$28,000.00 towards your \$750,000.00 pledge.

Your continued support helps us achieve our mutual goal of providing more advanced levels of care *close to home*. We deeply appreciate and depend on your help. To date, your generous contributions total \$722,000.00.

Thanks to your investment, we continue to evolve; and today, the North Bay Regional Health Centre (NBRHC) is an accredited, unique health services provider with three primary roles. We provide acute care services to North Bay and surrounding communities, we are the district referral centre providing physician specialist services to the area, and we are northeast Ontario's specialized mental health service provider.

Today, your hospital is working around the clock to prepare for and care for patients, close to home. Donations are ensuring our front-line staff have the tools, technology and advanced medical equipment to respond to our community's healthcare needs.

East Ferris citizens recently demonstrated again that hospital care is one of their highest priorities and many contributed gifts to the Nuclear Medicine Department Upgrade, which helped us reach our \$4.3 million fundraising goal. The addition of a second SPECT/CT will deliver shorter wait times, enhanced imaging, and will broaden local diagnostic and treatment programs allowing our hospital to offer more personalized and precise medical care.

Once again, we thank you for your commitment to the health of your community. Together we are inspiring investment in exceptional healthcare, close to home.

Yours truly,

Paul Heinrich
