

Hello Greg,

Thank you for circulating the application (C-2025-03) at Blanche Road to the Ministry of Transportation for review.

The Ministry has reviewed the proposal, and I can confirm that, the subject land is located outside MTO's permit control area (PCA); and therefore, we have no comments to provide at this time.

Please don't hesitate to contact me if there are any questions or concerns.

Thank you,  
Gabriel
