277 Astorville Rd

Astorville, ON P0H1B0

Council Members

When my wife and I purchased the property at 277 Astorville Rd we saw that the property line extended into the road allowance. In 2022 we had a land surveyor check our boundaries and he confirmed that this was so.

As that portion of the property is not under our control or influence we would ask if the municipality could assume ownership of the portion that would normally be “road allowance”.

Thank you for your consideration.
