Dear Mayor Rochefort and Councillors:

Re: Shoreline Road Allowance lot line Survey Results – 130 Pargeter Road, Astorville, ON

We are in receipt of the shoreline road allowance survey results for the purchase of the shoreline road allowance at the aforementioned address. As a result and with this letter, we hereby officially request that the Council of the Municipality of East Ferris investigates and reconsiders the results of this survey as they clearly do not meet the intention nor the spirit of By-law 2015-35. Additionally and most importantly, the survey results no longer ensure shore access from our property.

We appreciate your attention to this matter and look forward to discussing this situation further with you. We may be reached at 705-303-5353.

Sincerely,

Sylvie Laperrière and John Kennedy
