FW: January 17, 2024 Committee of Adjustment Meeting

Greg,  
(and Kari and Terry),

I left a brief phone message for you today and am following up with an email.  
I accepted a new job with JLRichards in North Bay as a Planner.  
I am letting you know that I will be asking if I can remove myself from the CofA and the PAC due to potential future conflicts of interest.  
This is all new to me, so please let me know what you need from my end.  
Hopefully this doesn't affect the committees going forward.  
Thank you.
