Good morning. Please share this with the Council and your senior management team.

The 2024 FONOM Northeastern Municipal Conference, taking place in the City of Greater Sudbury on May 6, 7, and 8, 2024, is fast approaching. As you know, the FONOM Executive Award will be presented to a dedicated individual who has worked tirelessly to enrich the lives of Northern Ontarians and promote the objectives of FONOM.

An essential part of the Conference is to honour an individual member of FONOM who has contributed in a unique and meaningful way toward the enrichment and betterment of the lives of the residents of Northeastern Ontario and who has exerted tireless efforts over the years in promoting the objectives of FONOM regionally and provincially

. This is a reminder to submit nomination forms no later than **April 5, 2024**. Please see the attached Call for Nominations and Nomination Form.

If you still need to register, please visit the conference website (link below) for registration forms and more information.
