Subject: Learning Opportunity for Municipal Elected Officials: Approaches to Homelessness and Encampments

Good day Please share this with your Mayor, Council, and Senior Staff

There is an opportunity for elected officials across Ontario to learn about innovative approaches to Homelessness and encampments from Finland and Ontario that can inform each other.

AMO, in conjunction with organizers from the Ottawa Alliance to End Homelessness, the Canadian Housing and Renewal Association, and the federal department of Housing, Infrastructure, and Communities, is hosting an interactive session bringing together municipal elected officials, guests from Finland's Y Foundation, housing and homeless service providers and housing officials from the Ministry of Municipal Affairs and Housing.

Presentations from Finland's Y Foundation and a few Ontario municipalities will be featured. Finland has effectively ended Homelessness in the country.

The learning session will be held **on Monday, January 15th, from 9 to 11 am**. It will be a hybrid event with in-person attendance in Ottawa and a virtual option.

If you wish to participate and register, please indicate whether in-person or virtually and send your name, title, and municipality **by Wednesday, December 13th** to AMO by emailing iostrowski@amo.on.ca

If you have any questions, please get in touch with Michael Jacek, Senior Advisor, AMO by email at mjacek@amo.on.ca

Talk soon, Mac.
