Your Worship and Council

We, the East Ferris Knights of Columbus #6664 are excited about celebrating a milestone of 50 years on March 16th since we first received our charter.

When we reflect over those years thinking about the number of people and organizations we have helped and contributed funds to, as well as the number of volunteer hours we donated to the numerous events within our community, we feel very honoured and proud to call ourselves a Knight.

So, in respect to our milestone, we are requesting council to consider proclaiming the week of March 16th to March 22nd as Knights of Columbus #6664 week in East Ferris.

Here's to another 50+ years of community service.

Thank you in advance,
Sincerely,

Frank Corbeil
Financial Secretary for
